

# Adding GetIt!@UWaterloo to Google Scholar

To link your University of Waterloo (UW) Library privileges to Google Scholar:

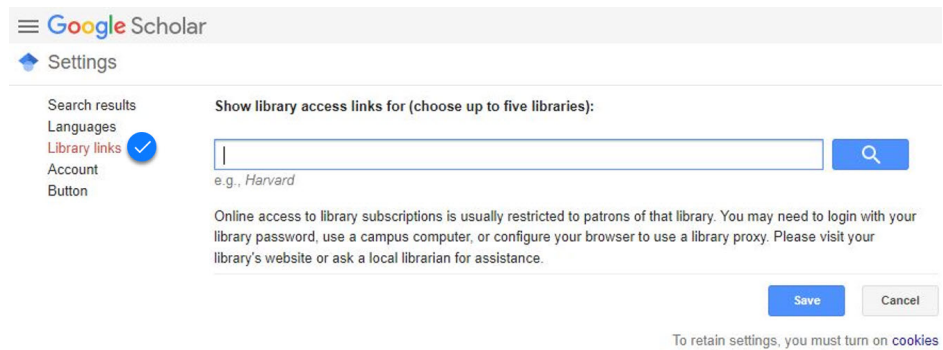

- 1** Search for **Google Scholar** on any search engine and **use** the <https://scholar.google.com> link.

- 2** Open the top left-hand side **hamburger menu** (three horizontal lines) to **select Settings** at the bottom of the resulting list.

- 3** Select **Library links** (the third link down).

**4** Type **University of Waterloo** in the search field and select the **Search** button (magnifying glass).

**5** Select the box besides **University of Waterloo - GetIt!@Waterloo** and then the **Save** button.

The screenshot shows the Google Scholar settings page. On the left, there is a sidebar with links: Settings, Search results, Languages, Library links (highlighted in red), Account, and Button. The main area is titled 'Show library access links for (choose up to five libraries):'. Below this, there is a search box containing 'University of Waterloo' with a blue checkmark icon to its right. Below the search box, there are two checkboxes: 'University of Waterloo - GetIt!@UWaterloo' (checked with a blue checkmark) and 'Wilfrid Laurier University - Get It @ Laurier' (unchecked). Below the checkboxes, there is a paragraph of text: 'Online access to library subscriptions is usually restricted to patrons of that library. You may need to login with your library password, use a campus computer, or configure your browser to use a library proxy. Please visit your library's website or ask a local librarian for assistance.' At the bottom right, there are 'Save' and 'Cancel' buttons. Below the buttons, there is a small text: 'To retain settings, you must turn on cookies'.

**6** The **GetIt!@UWaterloo** link displays now to the right of the matching search results.

The screenshot shows the Google Scholar search results page for the query 'Teaching AND Learning'. The search bar at the top shows the query and a magnifying glass icon. Below the search bar, there is a sidebar with filters: 'Any time' (with options: Since 2022, Since 2021, Since 2018, Custom range...), 'Sort by relevance' (with option: Sort by date), 'Any type' (with options: Review articles, include patents, include citations, Create alert), and 'Articles' (with text: About 4,640,000 results (0.04 sec)). The main area displays three search results. The first result is 'When teaching becomes learning' by MG Sherin, published in 'Cognition and instruction, 2002 - Taylor & Francis'. To the right of this result, there is a link '[PDF] tandfonline.com GetIt!@UWaterloo' with a blue checkmark icon. The second result is '[PDF] On learning, teaching, and learning teaching' by G Polya, published in 'The American Mathematical Monthly, 1963 - Taylor & Francis'. To the right of this result, there is a link '[PDF] tandfonline.com GetIt!@UWaterloo' with a blue checkmark icon. The third result is 'Teaching for learning' by KP Cross, published in 'AAHE Bulletin, 1987 - ERIC'. To the right of this result, there is a link '[PDF] ed.gov'.

**7** Select the **link** to be directed to the resource on the library catalogue.
