Get It From Another Library: Digitized Item

This request option is used to submit a request to receive a **digitized portion** of an **item not available at a University of Waterloo Library**.

For example, to request a digitized portion from the *Under-served: health determinants of indigenous, inner-city, and migrant populations in Canada*, in the record's **Get It** section, you will:

1 Select **Get it from another Library** link located beside the Request heading.

2 The Get it from another Library form will **auto-populate** with the title and author details. But you **must fill** in as much **citation information** as possible, like the article title, author, page range, volume/issue if applicable, and publication date.

3 **Scroll down** and **select Digitized portion** beside the Request type heading.

4 **Choose** any **institution** in the Omni Network from the **Preferred Pickup Institution** drop-down menu.

5 **Select** a **pickup location** from the **Preferred Local Pickup Location** drop-down menu.

⚠️ You will be asked to **select a pickup location even for digitization requests**.

6 Select the **Send request** arrow button at the end of the request form, under the Comment field, to submit the request.

⚠️ You will either receive the **digitized file** by **email**, or an **item available notice** for a print item.

BOOK
Under-served : health determinants of Indigenous, inner-city, and migrant populations in Canada
Arya, Akshaya Neil, 1962- editor.; Piggott, Thomas, 1989- editor.
2018
