## **Get It From Another Library: Physical Item**

This request option is used to submit a **physical** request on an **item not available at a University of Waterloo Library**.

For example, to request the *Under-served: health determinants of indigenous, inner-city, and migrant populations in Canada* **item**, in the record's **Get It** section, you will:

- **1** Select **Get it from another Library** link located beside the Request heading.
- 2 The Get it from another Library form will **auto-populate** with the title and author details.
- Scroll down to the middle section of the form and select Physical item beside the Request type heading.
- **Select** any **institution** in the Omni Network from the **Preferred Pickup Institution** drop-down menu.
- 5 Select a pickup location from the Preferred Local Pickup Location drop-down menu.
- Use the Comment field to leave any additional remarks.
   (e.g., If multiple volumes, indicate which one is needed).
- When requesting multiple volumes, you must submit one request per volume.
- Select the Send request arrow button at the end of the request form, under the Comment field, to submit the request.
- You will receive an email notification when this item is ready for pickup.
