

CRITICAL REFLECTION

1 Get Started (10%)

- Understand your assignment.
- Narrow your topic.

2 Reflect (30%)

- Analyze your topic or issue.
- Articulate your argument.

3 Organize (15%)

- Develop a thesis statement.
- Outline the structure of your paper.
- Organize relevant course or other material.

4 Write (25%)

- Write your first draft. Rough is okay!

5 Revise proofread (20%)

- Evaluate your first draft.
- Incorporate further insights.
- Evaluate second draft and rewrite as needed.
- Proofread and put your paper into its final format.
